### CHURCH HISTORY CLASS

The Salina Diocese will have an adult education class at St. John's Parish in Beloit on Sundays Nov. 8 and 15th from 4-6 pm. The topic will be an overview of American church history with an emphasis on the history of the church in Kansas and in particular in the Salina Diocese.

Fr. Don McCarthy will be the instructor. His is a former principal of St. John's High School (1972-1982) and Tipton Catholic High School (1972-1982 and 1993-1996); he retired July 1, 2009 and is living in the rectory in Cawker City. He has taught many church history classes over the years, throughout the diocese and at Colby Community College.

There will be a discussion regarding school finance at the state and local levels with our local legislators at the upcoming Board of Education meeting on Mon. Nov. 9th at 7:00 pm at the Middle School in Cawker City. This will be an open discussion and patrons will have the opportunity to share ideas and concerns with legislators regarding the state's funding of public education. We hope to have a professional conversation to help our legislators make positive decisions for our community. The decisions that will be made in the upcoming legislative session will have direct impact on the students and employees of the district. If you want to help make a positive difference for the children of USD 272, please join us in the discussion.

We would like to thank everyone for their prayers, masses, memorials, offers of help, words of sympathy, cards, and food brought in. Thank you for being with us at the vigil and funeral. Thank you to Father, the altar servers, organist, song leader, choir, lector, the American Legion, and the ladies preparing and serving the luncheon. We appreciate all of it and will always remember your kindness.

The Walter Budke Family

### **National Catholic Youth Conference Thoughts:**

The Tipton CYO will be attending the National Catholic Youth Conference from November 19-22 in Kansas City. We have been preparing for this trip for the past two years. Here is some of what our kids are looking forward to on the retreat:

"I'm pretty excited about our upcoming trip to KC! I LOVE KC to begin with, and I'm excited to meet new people, listen to the speakers and just bring back an all new outlook on my life from this experience. I love seeing all 20,000-some kids together believing the same thing--it's awesome. And I'm stoked about the lime green shirts!"

"I am looking forward to meeting new people and making friends. Also I think the inspirational speeches are really good and I can't wait for them."

Thank you for your support of CYO.

### **Health Care Action Needed:**

To send a pre-written, instant e-mail to Congress, go to [www.usccb.org/action](http://www.usccb.org/action).

Call Representative Jerry Moran at (202) 225-2715.

**Suggested Message to our Representatives:**  
"Please support the Stupak Amendment that addresses essential pro-life concerns on abortion funding and conscience rights in the health-care reform bill. Help ensure that the Rule for the bill allows a vote on this amendment. If these serious concerns are not addressed, the final bill should be opposed."

Call Senator Sam Brownback at (202) 224-6521.

Call Senator Pat Roberts at (202) 224-4774.

**Suggested Message to our Senators:** "During floor debate on the health care reform bill, please support an amendment to incorporate longstanding policies against abortion funding and in favor of conscience rights. If these serious concerns are not addressed, the final bill should be opposed."

### **Tell Congress: Remove Abortion Funding and Mandates from Needed Health Care Reform!**

Congress is preparing to debate health care reform legislation on the House and Senate floors. Genuine health care reform should protect the life and dignity of all people from the moment of conception until natural death. The U.S. Bishop's conference has concluded that all committee-approved bills are seriously deficient on the issues of abortion and conscience, and do not provide adequate access to health care for immigrants and the poor. The bills will have to change or the bishops have pledged to oppose them.

Our nation is at a crossroads. Policies adopted in health care reform will have an impact for good or ill for years to come. None of the bills retains longstanding current policies against abortion funding or abortion coverage mandates, and none fully protects conscience rights in health care.

As the U.S. Bishop's letter of October 8 states:

"No one should be required to pay for or participate in abortion. It is essential that the legislation clearly apply to this new program longstanding and widely supported federal restrictions on abortion funding and mandates, and protection of rights of conscience. No current bill meets this test. If acceptable language in these areas cannot be found, we will have to oppose the health care bill vigorously."

For the full text of this letter and more information on proposed legislation and the bishop's advocacy for authentic health care reform, visit [usccb.org/healthcare](http://usccb.org/healthcare)

Congressional leaders are attempting to put together final bills for floor consideration. Please contact Representative Jerry Moran and Senators Pat Roberts and Sam Brownback today and urge them to fix these bills with the pro-life amendments noted below. Otherwise much-needed health care reform will have to be opposed. Health care reform should be about saving lives, not destroying them.
